Cure for Sick Headache. We had a letter the other day from a lady in the town of Boulder, Colo., that should be of interest to people who are troubled with spells of sick headache.

She writes that she had these spells about four times a week, was obliged to go to bed and remain there from 8 to 10 hours each time. Had been troubled this way for several years, and the attacks became more frequent. Doctors done her no good, she tried dieting, as everybody said it was from her stomach.

Seeing an advertisement of Dr. Gunn's Improved Liver Pills, which said they cure sick headache by removing the cause, she decided to try once more, and sent five for two boxes. She said she had taken the last pill more than 4 months ago, has not had a sick spell of any kind for more than 5 months.

Druggists sell these pills for 25c per box. It only takes one for a dose, they cure sick headache every time Stone & Mercer.
